

A Mouthful of Sky

An apartment in Mumbai (Bombay), India

Prit: [00.01]

Look at this place, man. I mean, it is so big and airy and, most of all, it is ours.

Prakash: [00.07]

You bought it?

Prit: [00.08]

Well, yes and no.

Prakash: [00.10]

Have you or haven't you?

Prit: [00.11]

The person that showed me this place said there were already two standing offers on it, so either take it right now or leave it.

Prakash: [00.15]

So you took it?

Prit: [00.18]

Well, I put the deposit down on it.

Prakash: [00.21]

How much money did you pay?

Prit: [00.23]

Just a token.

Prakash: [00.25]

How much?

Prit: [00.26]

Five!

Prakash: [00.28]

Five what?

Prit: [00.29]

Five lacs.

Prakash: [00.30]

You are insane. I mean ..

Prit: [00.34]

I am crazy about this place, man. Look at it. This is our Xanadu.

Prakash: [00.38]

We don't need a Xanadu, Prit. We need an office.

Prit: [00.40]

Well, this is it. This is our office.

Prakash: [00.42]

But when we started this company we were supposed to run it together.

Prit: [00.44]

That is what we are going to do. We are going to sign all the papers and go through all the legal stuff later.

Prakash: [00.47]

And the first thing you are supposed to do is look for an office together.

Prit: [00.52]

What am I supposed to do? You are all so busy. You are off somewhere with Binita, and Bushra has run off on some film schedule, Gemma is spending time with Natasha, and Paula and Ken are doing something with the [...], so I am the only one left here to handle all the stuff with the [...].

Prakash: [01.06]

You should have shown it to us first.

Prit: [01.08]

That is exactly what I have done, called you all here to show this place to you.
